DPD 3841-61

25 JUN 1961

MEMORANDUM FOR: Acting Chief, Development Projects Division

25X1A SUBJECT: Operational Manual - [redacted]

- 25X1A 1. The [redacted] retrieving system is now considered operational
25X1A in as far as the Agency has [redacted] aircraft equipped for aerial pickup,
25X1A and a number of ground kits in stock. One man, namely the inventor
[redacted] is capable of instructing in detail all aspects
of this operation.
- 25X1A 2. To date no manual of operation has been provided for by
contract.
- 25X1A 3. To preclude the necessity of calling on [redacted] to super-
vise installation, maintenance and handling of equipment upon every
activation of this capability by the Agency, the attached Activity
Program is submitted for approval.

25X1A [redacted]

Chief, Air Support Branch, DPD-DD/P

Attachment:
As noted above
